Hey Lady, Let me tell you you're fine
I can't live my life, without you - oh baby
Everytime I see you walking by I get a thrill
But you don't notice me, but in time you will
I must make you understand
(Chorus)
I want to be your man - I want to be your man
I want to be your man - Yes I do baby
I want to be your man - I want to be your man
I want to be your man - Want to be your man
Better not pass me by
Cause if you do you know I'll cry - please, oh baby
Cause what I've got to say is sealed with a kiss
And a wedding ring - wedding ring
Ooo My mind is blind at times I can't see anyone but
you
Those other girls don't matter knowin' they can't spoil
my view
I must make you understand
I want to be your man - I want to be your man
I want to be your man - Yes I do baby
I want to be your man - I want to be your man
I want to be your man - Want to be your man
Words could never say what I feel
It's too intense - ooooooooooooo
I've tried, I've tried, I've tried, I've tried to tell you how I
feel
but I get mixed up - so mixed up
My mind is blind at times I can't see anyone but you
Those other girls don't matter knowin' they can't spoil
my view
I must make you understand
I want to be your man - I want to be your man
I want to be your man - Yes I do baby
I want to be your man - I want to be your man
I want to be your man - Want to be your man
I want to be your man - I want to be your man
I want to be your man - Yes I dooooo
I want to be your man -
I want to be your man - Want to be your man
