I walk with a swagga and a bad attitude
I'm lookin like a rockstar from my head to my shoes
This place about to lose it, won't know what to do

cause....

I, I, I, I, I know you know I got it x4
I, I, I, I, I know you know

I see you over there and I'm rockin' over here
but I, I, I, I, I know you know I got it
Next thing at the scene, you'll be hangin' off of me
and I, I, I, I, I know you know I got it

Everybody else I can do it better
No body can do it better
Everybody else I can do it better
I know I know I got it x2

Break

I, I, I, I, I know you know I got it x4
I, I, I, I, I know you know

Your friends are callin on the phone
but you don't wanna go cause....
I, I, I, I, I know you know I got it

Next thing at the scene, you'll be leavin' here with me
cause....
I, I, I, I, I know you know I got it

Everybody else I can do it better
No body can do it better
Everybody else I can do it better
I know I know I got it

Break

Some people call me cocky, and some call me rude but
i just like to think of it as speakin the truth
Don't care if you don't like it, won't stop what i'm doin
cause....

I, I, I, I, I know you know I got it x4
I, I, I, I, I know you know

Everybody else I can do it better
No body can do it better
Everybody else I can do it better
I know I know I got it x2
