Marked to be alone  
And my eyes are closed  
Drown and separate  
Sakes of discernment

Walk with the broken pieces  
They do not say a word

Marked to be alone  
And my eyes are closed  
Drown and separate  
Sakes of discernment

They speak not a word to the broken sea  
They speak not a word to the broken sea  
Not burnt by the fire or pulled by the flood  
Not burnt by the fire

They come to rest  
In crimson pools of blood  
Guided by the wind  
Not burnt by the fire  
Not pulled by the flood  
They come to rest

But they, they go  
So we ride

But the candle burns alone  
It guides us safely home  
But the candle burns alone  
It guides us safely home

But the candle burns alone  
It guides us safely home  
But the candle burns alone  
It guides us safely home

But the candle burns alone  
It guides us safely home  
But the candle burns alone  
It guides us safely home

But the candle burns alone  
It guides us safely home  
But the candle burns alone  
It guides us safely home

But the candle burns alone  
It guides us safely home  
But the candle burns alone  
It guides us safely home

But the candle burns alone  
It guides us safely home  
But the candle burns alone  
It guides us safely home

But the candle burns alone  
It guides us safely home  
But the candle burns alone
