Dark cold sound
Dark cold sound
Dark cold sound
Dark cold sound

A dark cold
Sound tears the
Life I'm given
Ignite the vision

The vision
That brought cold
Wind against my
Childhood soul

The root of
Unspoken fear
The root [Incomprehensible]

A dark cold sound
Tears at my life
A dark cold sound
Tears at my life

Over, over, over and over
Over, over, over and over
Over, over, over and over
Over, over, over and over

The time when
Rest is distant
As childhood
When I knew peace

The time when
I was happy
The time when
I knew peace

Before it came
After me
Before it came

After me

Before it came

After me

Before it came

It's coming

After me

Coming

After me

Coming

After me

Coming

After me
