I tried again, I fell again
To find out for myself
It hurts
For a lifetime
I tried again, I fell again
To find out for myself
It hurts
For a lifetime

Your picture rests there for a lifetime
And for a lifetime, I will dream of you
Dream of you, dream of you
Dream of you, dream of you
Dream of you
Dream of you
Dream of you, dream of you
Dream of you

I tried again, I fell again
To find out for myself
It hurts
For a lifetime
I tried again, I fell again
To find out for myself
It hurts
For a lifetime

Your picture rests there for, for a lifetime
And for a lifetime I will dream of you
Dream of you, dream of you
Dream of you, dream of you
Dream of you
Dream of you
Dream of you, dream of you
Dream of you

I will dream of you
I will dream of you
Dream of you, dream of you

I prepare the mantle inside of my heart
With your photograph to sooth the scars

Unable to be erased unable to be forgotten
As I grow older
I will dream
