Within the chamber of my soul  
I find I don't know, as much as most do,  
but I know my destiny, and I know  
i must choose, what path to follow each day.  
I see the hatred towards my words,  
toward the one that I love.  
Must my voice be silenced?  
Must I sit in the shadows of the ones that sit before me?  
I see the stone in your hands,  
i feel the hostility in your eyes,  
but i won't break down.  
I receive your anger,  
i take your flustration,  
your insults cut at me.  
Your misconception wear at me,  
it is hard not to repay the acts sent against me  
I won't resign to your control or step back to your  
bondage  
but i'll turn toward my goal,  
toward the prize that the prize that awaits me.  
I'll leave this place empty.  
No revenge left in me, only the comfort of my soul.  
I have left your affliction behind me.
