# "For A Fair Desire"

Let me not exist for a fair desire sweet and fresh  
And are my expectations of this inner strength  
That yearns passionately  
For the endowment of the Father

I sow in tears that later I shall reap in joy  
Each drop that I sow'll be a time of breaking  
Each drop that I sow'll be a time of breaking  
Each drop that I sow'll be a time of breaking

Come Holy Spirit empower Your creation  
Through times of breaking  
The planting of tears as I am broken  
Your presence grows stronger

I feel You with me upholding me through it all

Let me not exist for a fair desire sweet and fresh  
And are my expectations of this inner strength  
That yearns passionately  
For the endowment of

Each drop that I sow is a time of breaking  
A time of breaking
