

Zao "Repressed"

Visit "[Repressed](#)" on [MotoLyrics.com](https://www.motolyrics.com)

Lies, depreciation of self
Moral demise
The corporate machine of America
In God we trust

Statement of political banter
Plastic words for a plastic nation

Bred to live the American dream
Elderly parents in institutions
Billions of dollars for the promotion
Of cutting edge abortinary practices

Prayer in schools has been replaced
With condoms, the value of quality
Family time has regressed to the television's filth
And sexual innuendo

Repressed
Our forefathers established this nation
Under the grace of God
In all His provisions

Why we are so richly blessed
Richly blessed, richly blessed
Richly blessed, richly blessed

Our Father, Father
Deliver us
