The sky's as dark as murderer's heart  
Waiting, stalking  
The sky's as dark as murderer's heart  
Waiting, stalking

Sky's as dark as murderer's heart  
She didn't know he was gonna die  
She didn't know he was gonna die  
She didn't know he was gonna die

[Incomprehensible]  
She didn't know he was gonna die  
She didn't know he was gonna die  
She didn't know he was gonna die

The earth it screams  
As bullet's fire upon the innocent  
The earth it screams  
As bullet's fire upon the innocent

She didn't know he was gonna die  
She didn't know he was gonna die  
She didn't know he was gonna die

As dark as murderer's heart  
She didn't know he was gonna die  
She didn't know he was gonna die  
She didn't know he was gonna die  
[Incomprehensible]

The end of his world  
The end of his world  
The end of his world

The end of his world's here  
The end of his world's here  
The end of his world's here

The end of his world's here  
The end of his world's here  
The end of his world's here

The sea's as red as the young man's blood  
Dripping from his forehead

The wind's as cold as his widow's eyes  
When she finds out her lover won't be coming home
