"The Ghost Psalm"

Realization comes through reaping
Reality contained in quite
My companions are walking corpses
I am buried with their words (5x)
Buried with your words
Turned their backs on me
Scared to see the ghost
Turned and walked away
Scared to see the ghost
(Time to go one last look, one last touch. A ghost to
those I love)
Time to go one last look, one last touch. Goodbye to
those I love
Time to go one last look, one last touch.

Realization comes through reaping
Reality contained in quite
My companions are walking corpses
I am buried with their words (5x)

So close
So close to separation
A ghost without a grave
A ghost without a name
So close
