You think because you bought the record, you read a  
list of thanks you've identified (you can judge out lives)  
A favor we provide  
Little forum boys with your polished cyber toys  
I read your bucket comment  
Your three piece bulletin  
POUT POUT BOOO HOOO TALK TALK POUT BOO HOOO  
HOOO  
How is out identity working out for you?  
It's funny how you can justify me(us) on opinion  
An idea that I do this for you  
DXCBOY FIREKID  
You know who you are (and what you do)  
We wrote this song for you
