My mind was beautiful, and I was free  
Warts loved my nipples because they are pink  
Vomit on me, baby  
Yeah, yeah, yeah  
A blind man's penis is erect because he is blind  
It's erect because he's blind  
A blind man's penis is erect because he is blind  
It's erect because he's blind  
Let's make love under the stars  
Watch for UFOs  
If little baby Martians come out of the UFOs  
We fuck them yeah yeah yeah  
The zebra spilled its plastinia on bemis  
And the gelatin oozed electric marbles  
Mother's titties died in Hell  
And the Nazis want to kill, kill everyone  
A blind man's penis is erect because he is blind  
It's erect because he's blind  
A blind man's penis is erect because he is blind  
It's erect because he's blind  
It's erect because he's blind  
It's erect because he's blind
