City life  
steals your rights  
robs you of your dignity  
robs you of your sanity  
city life  
lose your soul  
insanity  
till you wonder  
endlessly with a untrack mind

for no one  
will i go to hell  
for no one  
will i go to hell  
for no one

take me away from this madness  
take me away from this sadness

dont wan't to be part of your confusion  
dont wan't to be part of your corruption  
and be fooled by illusion

for no one  
will i go to hell  
for no one  
will i go to hell  
for no one

one of your subhuman  
goes the ruth without the ruth  
makes hollow sounds to my ear  
you've got curse to drive and  
ships to sail and  
blains to fly  
and material possessions  
bet i've got mount things to plain

for no one  
i ain't go into hell  
for no one  
for no one

for no one  
will i go to hell  
for no one  
will i go to hell  
for no one
