When I begin my day
I wanna feel OK
I try to sing
Sing sing
YEPE YEPE YEPE
Ah ! YEPE YEPE

When you wanna feel stronger
When you take your shower
Come on, try to sing
Sing with me
YEPE YEPE YEPE
Ah ! YEPE YEPE

Move your head NOW
Your shoulders
Move your back NOW
Your legs
YEPE YEPE YEPE
Ah ! YEPE YEPE

When you wanna charm
And you wanna take somebody in your arms
Come on try to sing
Sing with me
YEPE YEPE YEPE
Ah ! YEPE YEPE
