(You buggin')
I thought I told you once before
But you keep on knockin' at my door
Nothing more here what's left to say
I made it clear, but you buggin' anyway
Our memories of yesterday
That once were strong
Now the dreams you have
Of days gone by
Keep you holding on

(Buggin' me)
Buggin', buggin' me (can't you stop), buggin' me
(won't you stop)
Buggin' me (why you buggin')
Buggin', buggin' me (can't you stop), buggin' me (girl,
just stop)
Buggin' me (buggin' me)

(You buggin')
Why you still here, it's been so long
Don't wanna play, girl, just leave me alone (no)
I don't need you, need you no more (don't want you)
I don't want you, want you no more
Our memories of yesterday
That once were strong
Now the dreams you have
Of days gone by
Keep you holding on

(Buggin' me)
Buggin', buggin' me (can't you stop), buggin' me
(won't you stop)
Buggin' me (why you buggin')
Buggin', buggin' me (can't you stop), buggin' me (girl,
just stop) (buggin' me)
Buggin', buggin' me (can't you stop), buggin' me
(won't you stop)
Buggin' me (why you buggin')
Buggin', buggin' me (can't you stop), buggin' me (girl,
just stop) (buggin' me)

Why ain't you answering my calls (you buggin')
Don't you wanna speak to me
Why didn't you call me back (you buggin')
I've been calling you all day

I thought I told you once before
But you keep on knockin' at my door
Nothing more here what's left to say
I made it clear, but you buggin' anyway
Our memories of yesterday
That once were strong
Now the dreams you have
Of days gone by
Keep you holding on (buggin' me)

Buggin', buggin' me (can't you stop), buggin' me
(won't you stop)
Buggin' me (why you buggin')
Buggin', buggin' me (can't you stop), buggin' me (girl,
just stop)
(Buggin' me)

Why haven't you called me back

Buggin', buggin' me (can't you stop), buggin' me
(won't you stop)
Buggin' me (why you buggin')
Buggin', buggin' me (can't you stop), buggin' me (girl,
just stop)
(Buggin' me)

Why aren't you answering my calls
