('If You Could See Me Now')

My prayers have all been answered, I've finally arrived
The healing that had been delayed has now been
realized

No one's in a hurry, there's no schedule to keep
We're all enjoying Jesus, just sitting at His feet

My light and temporary trials have worked out for my
good

To know it brought Him glory when I misunderstood
Though we've had our sorrows, they can never
compare

What Jesus has in store for us no language can share

If you could see me now, I'm walking streets of gold
If you could see me now, I'm standing tall and whole
If you could see me now, you'd know I've seen His face
If you could see me now, you know the pain's erased

You wouldn't want me to ever leave this perfect place
If you could only see me now

('Holy of Holies')

I can go into the Holy of Holies
I can kneel and make my petitions known
I can go into the Holy of Holies
And although I'm just a common man
Because of God's redemption plan
I can boldly approach God's throne

('You'll Still Be Lord of All')

Standing in Your presence Lord, I feel how small I am
My castles and my riches are as pebbles in the sand
And time won't hold the memory of what I profess to be
Unless the ones around can see the one who lives in
me

In understanding this, I realize my only gain
Is giving all I have to You, to live one in the same
And when this world of earthly kingdoms crumbles into
sand

You'll still be Lord of all

You'll still be Lord of all

You'll still be Lord of all

When the last kingdom crumbles, when the last time
shall fall

You'll still be Lord, You'll still be Lord
