Intro:

Go gaga, eh eeh eh (x2)

Go gaga, A2une (x2)

Go gaga, eh eeh eh (x2)

You gat me, Go gaga

Brigh:

Provide me your love provide me your care

Award me everything i need to get through

Present me your soul then i bestow my heart

We share love together ahhhhhhhhhhhhhhhhhhh ah

Attest me the source, this source of your love

Allow me acquainted with how you do care

You should give me the real, the real of your love

Cos you are all i need oooooooooooooooooooh

So

You gat me go gaga (x8)

Chorus:

The way you gat me go gaga

The way you gat me ga gogo

The way you gat me go gaga

The way you gat me ga gogo oooh

She blow my mind, the way she move

She took my heart, the way she do

She take me right, the way she wine

She gonna highlight me, the way she go

Verse:

You gat me go gaga, you gat me go (go)

You gat me so gently you should know (know)

You gat me so higher above the show (show)

You gat me so wonder, so wonderful (ful)

So

You have to give me your love

Your everything

Give me your love

Your everything

Give me your love

your everything
Give me your love
Your everything

Chorus:

The way you gat me go gaga
The way you gat me ga gogo
The way you gat me go gaga
The way you gat me ga gogo oooh

She blow my mind, the way she move
She took my heart, the way she do
She take me right, the way she wine
She gonna highlight me, the way she go

Verse:

You gat me thinking all these days
So urgent you take holiday
I gat to know you everyday by day
You gat me go and donâ€™t know what to do
so
You have to give me your love
Your everything
Give me your love
Your everything
Give me your love
your everything

Chorus:

The way you gat me go gaga
The way you gat me ga gogo
The way you gat me go gaga
The way you gat me ga gogo oooh

She blow my mind, the way she move
She took my heart, the way she do
She take me right, the way she wine
She gonna highlight me, the way she go

J.O.F sound, emmycool on the beat oooh

Ehh ehh ehh ehh ehh ehh ehh
