Computerized  
(Digital love)  
Computerized, oh baby  
A beautiful love

Computer love  
(Computer, computer love)  
Computer love  
(Lookin' for my computer love)  
Computer love  
(Hey)  
Computer love  
(Computer love)

You know, I've been searching for someone  
Who can share that special love with me  
And your eyes have that glow  
Could it be your face I see on my computer screen

Need a special girl  
To share in my computer world  
I no longer need a strategy  
Thanks to modern technology

Shooby doo bop shoo doo bop, I wanna love you  
Shooby doo bop  
(I wanna love you, baby)  
Shooby doo bop shoo doo bop, I wanna love you  
Shooby doo bop my computer love

You know, I've been around  
From hot sexy mamas to cool Prima Donas  
I wanna share your treasure, oh so rare  
?Cause it?s your face I see on my computer screen

Oh, won?t you keep me warm tonight  
You are such a sweet delight  
I would cherish the memory of this night  
Yes, I found my computer love

Shooby doo bop shoo doo bop, I wanna love you  
Shooby doo bop

(I wanna love you, baby)  
Shooby doo bop shoo doo bop, I wanna love you  
Shooby doo bop my computer love
