I'll be your lover
We can discover a brave new world
Like cupid Ñ, ï¿½ï¿½ï¿½s warrior
I will destroy your sorrow girl
Don't resist me
There ain't no love defense department
Once you kiss me
There'll be a meltdown of your heart

Lover, lover you don't need another
Just duck and cover
We detonated and then we really made it
In the mist we faded

Kiss, kiss, boom, boom
Bang, zoom to the moon

Love bomb-Ñ, ï¿½ï¿½ï¿½you are the target
Love bomb-Ñ, ï¿½ï¿½ï¿½of my thermal romantic device
Love bombÑ, ï¿½ï¿½ï¿½-I aim to get you
Love bomb--'cause I'm deadly but IÑ, ï¿½ï¿½ï¿½m so nice

Lover, lover you don't need another
Just duck and cover
We detonated and then we really made it
In the mist we faded

10, 9, 8, 7, all good lovers go to heaven
Bombs away
6, 5, 4, 3, 2, 1, how I learn to love the love bomb

Kiss, kiss, boom, boom
Kiss, kiss, boom, boom
Kiss, kiss, boom, boom
Bang, zoom to the moon

Love bombÑ, ï¿½ï¿½ï¿½-IÑ, ï¿½ï¿½ï¿½I'll be your lover
Love bombÑ, ï¿½ï¿½ï¿½-Come and discover a brave new world
Love bombÑ, ï¿½ï¿½ï¿½-Like cupid Ñ, ï¿½ï¿½ï¿½s warrior
Love bombÑ, ï¿½ï¿½ï¿½-I will destroy your sorrow girl

Love bombÑ,ï¿½ï¿½-Early warning
Love bombÑ,ï¿½ï¿½-You told me to strike before the
dawn
Love bombÑ,ï¿½ï¿½-Atomic morning
Love bombÑ,ï¿½ï¿½-D-Day has come for the love bomb

Lover, lover you don't need another
Just duck and cover
We detonated and then we really made it
In the mist we faded

10, 9, 8, 7, all good lovers go to heaven
Bombs away
6, 5, 4, 3, 2, 1, how I learn to love the love bomb
