Gotta go away tomorrow.

Gotta get away, my god.

I'd take you along with me,

But I could not go so far.

Don't see what I do not want to see.

Don't hear what I don't think.

Won't be what I don't want to be.

Continue in my way.

Oh, ceased to see where I'm going.

I've ceased to see where I'm going.

I've ceased to see where I'm going to.

I don't want to.

Every day I see the morning

Come on in the same old way.

I tell myself tomorrow brings me

Things I would not dream today.

Gotta go away tomorrow.

Gotta get away, my god.

I'd take you along with me,

But I could not go so far.

Don't see what I do not want to see.

Don't hear what I don't think.

Won't be what I don't want to be.

Continue in my way.

Oh, ceased to see where I'm going.

I've ceased to see where I'm going.

I've ceased to see where I'm going to.

I don't want to
