Don't wanna be a fat man

People would think that I was just good fun, man

Rather be a thin man

I am so glad to go on being one, man

Too much to carry around with you

No chance of finding a woman, who

Will love you in the morning and all the nighttime too

Don't want to be a fat man

Have not the patience to ignore all that, man

Hate to admit to myself

I thought my problems came from being fat, man

Won't waste my time feeling sorry for him

I've seen the other side to being thin

Roll us both down a mountain and I'm sure the fat man  
would win
