Did you hear Mother

Saying I'm wrong, but I know I'm right?

Did you hear Father

Calling my name into the night,

Saying I'll never be what I am now,

Telling me I'll never find what I've already found?

It was they who were wrong, and for them here's a song.

Did you see Baby

Come back and tell you the things he's seen?

Did it surprise you

Being picked up at eight in a limousine,

Doing the things he's accustomed to do?

For a long time it seemed like a dream, but it's true.

But unknowing you made it all happen this way.

Did you hear Mother

Saying I'm wrong, but I know I'm right?

Did you hear Father

Calling my name into the night,

Saying I'll never be what I am now,

Telling me I'll never find what I've already found
