Bright city woman

Walking down Leicester Square every day.

Gonna get a piece of my mind.

You think you're not a piece of my kind.

Everywhere the people looking.

Why don't you get up and sing?

Bright city woman

Where did you learn all the things you say?

You listen to the newsmen on T.V.?

You may fool yourself but you don't fool me.

I'll see you in another place, another time.

You may be someone's, but you won't be mine
