In the dark of the city backwoods, something stirs then  
slips away.

Law and order in darkest Knightsbridge. Crime and  
punishment at play.

Hey, Mr.Policeman won't you come on over. Hook me  
up to the power lines of your

love.

Jump start, or tow me away.

And through the bruised machinery, the smoking haze  
of industry.

Another day with ball and chain. I do my time then  
home again.

Hey, Mrs.Maggie won't you come on over. Hook me up  
to the power lines of your

love.

Jump start, or tow me away.

Well, should I blame the officers? Or maybe, I should  
blame the priest?

Or should I blame the poor foot soldier who's left to  
make the most from least?

Hey, Jack Ripper won't you come on over. Hook me up  
to the power lines of your

love.

You can blame the newsman talking at you on the  
satellite T.V.

And if you're fighting for your shipyards, you might as

well just blame the sea.

Hey, Mr.Weatherman come on over. Hook me up to the  
power lines of your love.

Jump start, or tow me away
