Breaking hearts in a market town. She eats filet of sole  
and washes it down with sparkling wine.

Nice girl, but a bad girl's better. Qualifies in both ways  
to my mind. But now she's kissing Willie.

She shows a leg -- shows it damn well. Knows how to  
drive a man

right back to being a child.

Well, she's a -- nice girl, but her bad girl's better. I can  
read

it in her cheating eyes and know that in a while -- Well,  
she'll be kissing Willie. (My best friend, Willie.)

Willie stands and Willie falls. Willie bangs his head  
behind grey factory walls.

She's a -- nice girl, but her bad girl's better. Me and  
Willie

just can't help come, when she calls.

Now she's kissing Willie. (My best friend, Willie)
