Nothing is easy. Though time gets you worrying my  
friend it's okay.

Just take your life easy and stop all that hurrying; be  
happy my way.

When tension starts mounting and you've lost count of  
the pennies you've missed,

Just try hard and see why they're not worrying me;  
they're last on my list.

Nothing's easy.

Nothing is easy. You'll find that the squeeze won't turn  
out so bad.

Your fingers may freeze. Worse things happen at sea.

There's good times to be had.

So if you're alone and you're down to the bone, just  
give us a play.

You'll smile in a while and discover that I'll get you  
happy my way

Nothing's easy
