take you to the cinema  
leave you in a wimpy bar  
you tell me that we've gone to far  
come running up to me  
make the scene at cousin Jack's  
leave him to put the bottles back  
mends his glasses that i cracked  
well that one's up to me

buy a silver cloud to ride  
pack the tennis club inside  
trouser cuffs hung far too wide  
well it was up to me  
tyres down on your bicycle  
your nose feels like an icicle  
the yellow fingered smoky girl  
is looking up to me

well i'm a common working man  
with a half of bitter--bread and jam  
well if it pleases me i'll put one on you man  
when the cupper fades away

the rainy season comes to pass  
the day-glo pirate sinks at last  
and if i laughed a bit too fast  
well it was up to me
