Good morning Weathercock: How did you fare last  
night  
Did the cold wind bite you, did you face up to the fright  
When the leaves spin from October and whip around  
your tail  
Did you shake from the blast, did you shiver through  
the gale?

Give us direction; the best of goodwill  
Put us in touch with fair winds.  
Sing to us softly, hum evening's song  
Tell us what the blacksmith has done for you.

Do you simply reflect changes in the patterns of the  
sky,  
Or is it true to say the weather heeds the twinkle in your  
eye?  
Do you fight the rush of winter; do you hold snowflakes  
at bay,  
Do you life the dawn sun from the fields and help him  
on his way?

Good morning Weathercock: make this day bright.  
Put us in touch with your fair winds.  
Sing to us softly, hum evening's song  
Point the way to better days we can share with you.
