Is there anything good inside of you

If there is, I really wanna know

Is there anything

Good inside of you

If there is

I really wanna

Know

Is there anything

Good inside of you

If there is

I really wanna

Know

Is there?

Is there any-thaaaang good inside of you

If there is, I really wanna know-woh-oh-oh-oh

Is there any-thaaaang good inside of you

If there is, I really wanna know,

really wanna know...

Something

Anything

Something

Anything

Show me a sign

If you don't mind

Show me a sign

If you don't mind

Do you know what I'm really telling you

Is it something that you can understand

Do you know what I'm really telling you

Is it something that you can understand

Do you know what I'm really telling you

Is it something that you can understand

Do you know what I'm really telling you

Is it something that you can understand

Andy de vine

Had a thong rind

It was sublime

But the wrong kind

Andy de vine

Had a thong rind

It was sublime

But the wrong kind

Have I aligned

With a blown mind

Wasted my time

On a drawn blind

Have I aligned

With a blown mind

Wasted my time

On a drawn blind

Oh Andy
