For you, I could do anything  
For your love, my heart cries  
Take me heart, my love my everything  
For so long I have needed your love  
Oh, when, when you first came to me  
I-I-I-I doubted your love  
But now you mean everything to me  
And each day I love you more  
For you, I could do anything  
For your love, my heart cries  
Take me heart, my love, my everything  
For so love, I've needed your love  
Take my heart, take my heart  
Take my heart
