Be in my video,
Darling, every night
I will rent a cage for you
And mi-j-i-nits dressed in white
(teeny-little-tiny-little...)
Twirl around in a lap dissolve
Pretend to sing the words
I'll rent a gleaming limousine;
Release a flock of Ber-herna-herna-herna
Herna-her-nerds
Wear a leather collar
And a dagger in your ear
I will make you smell the glove
And try to look sincere, then we'll
Dance the blues
Let's dance the blues
Let's dance the blues
Under the megawatt moonlight
Pretend to be Chinese,
(One-hung-low)
I'll make you wear red shoes

There's a cheesy atom bomb explosion

All the big groups use

Atomic light will shine

Through an old venetian blind

Making patterns on your face,

Then it cuts to outer space

With its billions & billions &

Billions & billions and

Be in my video

Darling, every night

Everyone in cable-land

Will say you're 'outa-site'

You can show your legs

While you're getting in the car, then

I will look repulsive

While I mangle my guitar

Reen-toon-teen-toon-teen-toon

Tee-nu-nee-nu-nee,

Moo-ahhhh

Reen-toon-teen-toon-teen-toon

Tee-nu-nee-nu-nee,

Moo-ahhhh

Reen-toon-teen-toon-teen-toon

Tee-nu-nee-nu-nee,

Moo-ahhhh

Tee-nu-nee----moo-ahhhh

Tee-nu-nee----moo-wah-wah-wah-ooo
