Call Any Vegetable, call it by name
You've got to call one today, when you get off the train
Call Any Vegetable, and the chances are good
Yeaaaaah
The vegetable will respond to you
La la la-la
The vegetable will respond to you
La la la-la, oh

Call Any Vegetable, pick up your phone
Think of a vegetable, lonely at home
Call Any Vegetable and the chances are good
yeaaaaah
The vegetable will respond to you
La la la-la
The vegetable will respond to you
La la la-la

Rudebega Rudebega Rudebega Rudebega Rudebega

No one will know if you don't want to let'em know
No one will know ~less its you that might tell them so
Call and they'll come to you
Smiling and covered with dew
Vegetable dream
Vegetable dream
Vegetable dream of responding to you

Standing there shiny and proud by your side
Holding your joint while the neighbors decide
Why is a vegetable something to hide?
To hide? To hide? To hide?

Shoop shoop Shoop shoop Shoop shoop Shoop shoop

You know, a lot of people don't bother about their
friends in the vegetable kingdom.

Where can I go to get organic vaseline for my
intercourse?
At Bob & Ray's Swahili restaurant, where you can
convince them....
Where can I go to get my jeans embroidered in
Fullerton
At Jeans North, where nothing fits
Where can I go to get my zipper repaired in Hollywood?
Who gives a fuckin' ...
Where can I go to get my speakers fixed?
Hey, at ...
Where can I go to get my exit lights?
At Jack Lalane Hamburgers on 312 Whitaker Blvd
Where can I go to get my stomach pumped?
Where can I go to go up the....

Hey didoo,

Questions, questions, questions, flooding into the
mind of the concerned young person today.
Ahh, but its a great time to be alive, ladies and
gentlemen, and that's the theme of our program for
tonight

Its so fuckin' great to be alive is what the theme of
our show is tonight, boys and girls

And I want to tell you, if there is anybody here who
doesn't believe that it is fucking great to be alive, I
wish they would go now because this show will bring
them down so much.
God Bless America, land that

Call Any Vegetable, call it by name
