(somebody in the crowd yells in something in French...
what is it?)

You know today the church is in a terrible state. The
bucks just arent rollin in like they used to. And when the
bucks don't come in, the church comes up with a new
gimmick to make you spend to go to heaven.

Now I know you don't know what I'm talking about, but
what the fuck. But anyway, listen to this ladies and
gentlemen, when the church wants to get your money
they remind you about hell. (Whoo-hoo-hoo-ha-ha)

If you commit a sin you're gonna go to hell. (oui-oui)

Well let me give you an example, this boy over here;

Tell em about it Brother Zappa.

Sometimes people say: That if you fuck somebody (oh
lord) its a sin, (oui-oui) this may or may not be true.

(Testify)

This boy not only fucked somebody with his organ, but
he also fucked a girl with a guitar, with an umbrella,
with a zuchinni, with a shoe, with an enema bag . . .

What else did you do?

A vibrato bar.

A vibrato bar!

Some people would say this is a sin. And if you sin
you're gonna go to hell.

Well ladies and gentlemen:
There aint no hell. (oui)
There is no such thing as hell. (oui)
There is no hell, there is only France! (oui-oui)
Oui, oui
