When I'm dancing with Deseri

All the boys are jealous of me

I'm as happy as I can be

Oh, Deseri

I will never be untrue

I will never ever make her blue

She'll never sigh, cry, sit and pine

We will share a love divine

Deseri is mine

I'm as happy as I can be

Whenever I'm with Deseri

She saves her lovin' just for me

Oh Deseri

(spoken)

Deseri, the first day we met

I'll never forget

I saw you walking down the street

And my heart skipped a beat

I told you of my love for you

But there was nothing, nothing you would do

I said, please hear my plea

Come dance with me

Oh Deseri, you came

We went to the dance that night

I held you so tight

And I know that our love will last thru the years

For ever, holding each other, for cram & for dorssn
