She was the daughter of a wealthy

Florentine Pogen

Read 'em 'n weep

Was here adjustable slogan

She was a debutante daisy

With a color-note organ

Deep in the street

She drove a '59 Morgan

That's the kinda step she takes

When her hot breaks hot breaks

That's the kinda sound she makes

(ooh, let go uh me)

When her crab cakes

(Arf arf arf)

She didn't like it when her fan belt

Shrunk & got shorter

(Ointment)

Battery leak could nearly cost her a quarter

She didn't want to stay home

An' watch the pestle go mortar

Later she speaks

On how Perellis might court her

Na-na-na-noo, etc.

She was the daughter

Ah-ah-ahhh

Of a wealthy

Florentine Pogen

Po-oh-wo-oh-oh

Po-oh-wo-oh-oh

Po-oh-wo-oh-oh

Ga-ya-ee-annnn
