Frogs with dirty little lips

Dirty little warts on their finger-tips

Dirty 'n green

Tiny 'n mean

Floppin' around

By the edge of the stream

Frogs with dirty little eyes

Dirty little tongues all covered with flies

Dirty brown

Floppin' around

Puffed up 'n bloated

When the sun goes down

Frogs with dirty little nose

Dirty little spots all over their clothes

Dirty legs

Dirty feet

Dirty little frogs is what you eat
