Hob-noblin

Wit de goblin

De Goblin Girl

>From da mystery world

Hob-noblin

Wit de goblin

She's black 'n green

'Cause it's Halloween

Raggedy black

Is the way she dress

Little green shoes

'N her hair's a mess

On Halloween night

At de costume ball

She's a Goblin Girl

An' she can gobble it all

She's a goblin

She's a Goblin Girl

She's a goblin

She's a Goblin Girl

I been hobblin'

'Cause of the Goblin

Goblin Girl ...Goblin Girl

Some girls like

To dress like a witch

Some girls like to dress like a queen

Best way a girl

Can dress for me

Is in a Goblin suit

(They look so cute...)

When they're a goblin

There ain't a probleen

When they're a goblin

I start a-wobblin'

Pink all over

Some is tan

Goblin Girls

>From every land

They look good

>From any which-a-way

Every Halloween

You can hear me say:

\*"Goblin Girl, take it away..."\*

Hob-noblin

Wit de goblin

De Goblin Girl

>From da mystery world

\*(TRICK OR TREAT NOW...etc)\*

Talkin' 'bout the bad girls

All the Goblin Girls

Talkin' 'bout the bad, bad girls

The little Goblin Girls

Some are called Doreen

Some are dressed in green

They're tricking your treat

But they're bad girls

They're very bad girls

\*(LEPRECHAUN LIGHT...etc.)\*

They make your face look like

you got scales on it

But that's okay...

When the green light shines down

On the black guys in the band

Everybody in the audience

Thinks they're seeing something

That looks like it's made out of

Fish skin

But Coy leaves the green gels in the truss

Because he knows the guys in the front

Really enjoy looking like they've got

Scales all over their body
