I'm gonna tell you the way it is
And I'm not gonna be kind or easy
Your whole attitude stinks, I say
And the life you lead is completely empty
You paint your head
Your mind is dead
You don't even know what I just said
THAT'S YOU: AMERICAN
WOMANHOOD!
You're phony on top
Phony underneath
You lay in bed & grit your teeth
MADGE, I WANT YOUR BODY!
HARRY, GET BACK!
MADGE, IT'S NOT MERELY
PHYSICAL!
HARRY, YOU'RE A BEAST!
