Did a vehicle
Come from somewhere out there
Just to land in the Andes?
Was it round
And did it have
A motor
Or was it
Something
Different

Did a vehicle
Did a vehicle
Did a vehicle
Fly along the mountains
And find a place to park itself

Or did someone
Build a place
To leave a space
For such a vehicle to land

Did a vehicle
Come from somewhere out there
Did a vehicle
Come from somewhere out there
Did the indians, first on the bill
Carve up the hill

Did a booger-bear
Come from somewhere out there
Just to land in the Andes?
Was she round
And did she have a motor
Or was she something different

Guacamole Queen
Guacamole Queen
Guacamole Queen
Guacamole Queen

At the Armadillo in Austin Texas, her aura,
Or did someone build a place
Or leave a space for Chester's Thing to land
(Chester's Thing... on Ruth)
Did a booger-beer
Come from somewhere out there
Did a booger-bear
Come from somewhere out there
Did the Indians, first on the bill
Carve up her hill
On Ruth
On Ruth
That's Ruth
