If the froggy come up-a with his  
Satchel in his hand,  
Then he reaches in the front and  
Dump a mile of sand  
Across the rug, along the hall  
Up to the umbrella stand  
That you've been watchin' all the time  
Watchin' all the time

And if a forest grows up  
From the dirt on the floor,  
Then the frog with the satchel had just  
Dumped beside the door.  
You just startin' to get worried,  
You ain't going out no more  
And it's confusin' to your mind ----  
Just consider this:  
You can be scared when it gets too real  
You can be scared when it gets too real  
But you should be diggin' it  
While it's happening. (Yes!)  
But you should be diggin' it  
While it's happening  
'cause it just might be  
A one-shot deal

You can be lost  
And you can wanna be found.  
But keep an eye on that frog  
Whenever he jump around  
Just keep a-watchin' him  
You oughta be watchin' him

Just keep a-watchin' him  
You wanna be watchin' him  
And see if he has brought along A little bag for you,  
rant!
