My baby's got  
Jones crushin' love  
Jones crushin' love  
Jones crushin' love  
Well my baby's got  
Jones crushin' love  
Jones crushin' love  
Jones crushin' love  
She don't merely fit like a glove  
That little girl's got the jones  
That little girl's got the jones  
That little girl's got the jones

She's tryin' to  
Grind up my jones  
Grind up my jones  
Grind up my jones  
Well, she's tryin' to  
Grind up my jones  
Grind up my jones  
Grind up my jones  
She don't never wanna leave it alone  
She can push; she can shove  
Till it's just a nub  
She can push; she can shove  
Till it's just a nub  
Just a nub  
Just a nub

Here she comes  
With her red dress on  
Steam shoots out  
>From the sprinklers on the lawn  
The eyes be rollin'  
On the concrete fawn  
The wind can't blow  
'Cause the sky is gone  
The wind can't blow  
'Cause the sky is gone

The wind can't blow  
'Cause the sky is gone  
Jones crusher, jones crusher  
Deadly jaws, better get the gauze  
She's a jones crusher, jones crusher  
Deadly jaws, better get the gauze
