Frank Zappa (lead guitar, vocals)
Napoleon Murphy Brock (saxophone, vocals)
George Duke (keyboards, vocals)
Ruth Underwood (percussion)
Tom Fowler (bass)
Chester Thompson (drums)

Whipping Post!

Say that again please

Whipping Post!

Whipping Post? Ok, just a second

(Do you know that?)
Oh sorry, we don't know that one
Anything else?

Hum me a few bars of it...please
Just show me how it goes, please
Just sing, sing me Whipping Post
and then maybe we'll play it with you

Ooh-ooh-ooh

Thank you very much
And now...

Judging from the way you sang it,
it must be a John Cage composition, right?

Here we go...Montana

One two, one two three four

I might be movin' to...

Hold it! Hold it!
We can't possibly start the song off like that!
Good god!!!

That's inexcusable!

What happened to you last night?

(George has a tape of it)

George has a tape of it?

Ok, we'll use that in the second show

Ready? Montana...

Wait a minute...Whipping Post

No...Montana

One two, one two three four

It's too fast for you!

One two, one two three four

I might be moving to Helsinki soon

Just to raise me up a crop of

Dental Floss

Raisin' it up

Waxen it down

Tying it to the Whipping Post

In the middle of town

But by myself I wouldn't

Have no boss,

Cause I'd be raisin' my lonely

Whipping Post

Raisin' my lonely

Whipping Post

Raisin' my lonely

Whipping Post

Well I just might grow me some thongs

But I'd leave the hippy stuff

To somebody else...how 'bout Chester?

And then I would

Get a person

Tie him up

To the Whipping Post

And beat the living shit out of him

So that guy in the audience was satisfied

But by myself I wouldn't

Have no boss,

'Cause I'd be raisin' my lonely

Whipping Post-Floss

Movin' to Montana soon
Gonna be a Dental Floss tycoon (how unique!)
Movin' to Montana soon
Gonna be a mennil-toss flykune
(yes, it's such a ballad at this tempo)
Little Booger-bear Boogers everywhere And now for
the thrilling conclusion to that song...
