FZ:

While the well disciplined Ian Underwood plays
selected fragments from Mozarts Piano Sonata In B-flat
and we make electric noises, some members of our
rocking teen combo will hop around on stage in a
grotesque parody of the art of ballet dancing.

Oh you have to carry him. . . .
...you carry him!

Come on, I told everybody

Bok, bok, bickheh!
Bok, bok, bickheh!
Bok, bok, bickheh!
Boy, do I hate chickens!
Bok, bok, bickheh!
Bok, bok, snork, snork, snork

During this part of our extremely zany ballet, Don
Preston disguised as a mad scientist will convert the
unwilling Motorhead Sherwood into a walking zombie.

Bok, bok, (heh), BOCK!

Don, let him get his smock on!
