Well I found out baby
You told me a great big lie
Well I found out baby
You told me a great big lie
Cause when I got inside
You didn't have no cherry pie

Well you had no no cherry
No no cherry (x7)
You had no no cherry
No no cherry pie
Shoob-doo-wa
Shoob shoob doo wah

Well you had me fakin baby
Made me lose my pride
Well you had me fakin baby
Made me lose my pride
Cause I caught you lying bout what you had inside

And you had no no cherry
No no cherry (x7)
You had no no cherry
No no cherry pie
Shoob-doo-wa
Shoob shoob doo wah
No no (5x) Cherry Cherry Pie-ie-ie-ie
