JOE is so disoriented by his disease, he goes in the other room and plays the title cut from an old Jeff Simmons album, and sings along with it.

Joe:  
Lucille  
Has messed my mind up  
But I still love her  
Oh I still love her  
Lucille  
Has messed my mind up  
But I still love her  
Oh I still love her  
Lucille  
Has messed my mind up  
But I still need her  
You know I need her  
Whatcha tryna doota me  
Lucille?  
Whatcha tryna doota me  
Lucille?  
Whatcha tryna doota me  
Lucille?  
You got me goin' outa my mind  
Lucille  
Has tore my heart up  
But I still love her  
I really love her  
Lucille  
Has tore my heart up  
But I still need her  
You know I need her  
She treats me like my heart  
Is made of stone  
She runs around  
And leaves me home  
All alone  
She doesn't answer

When I call her on the phone  
She messed up my mind  
I'm crying alla the time  
Lucille  
Has messed my mind up \*(etc., etc., etc.)\*

Central Scrutinizer:  
This is the CENTRAL SCRUTINIZER...again, Hi!...It's me  
again, the  
CENTRAL SCRUTINIZER...Joe says Lucille has messed  
his mind up, but, was  
it the girl or was it the music? As you can see...girls,  
music, disease,  
heartbreak...they all go together...Joe found out the  
hard way, but his  
troubles were just beginning...his mind was so messed  
up...he could  
hardly do nothin'...He was in a quandary...being  
devoured by the swirling  
cesspool of his own steaming desires...the guy was a  
wreck...so...what  
does he do? For once, he does something SMART...he  
goes out...and pays a  
lot of money to \*L. Ron Hoover\*...at the \*First Church of  
Appliantology!\*
