Sometimes when you're not looking he just sneaks up  
on you. He looks like a  
cheap sort of flying saucer about five feet across with a  
snout-like megaphone  
apparatus in the front with two big eyes mounted like  
Appletons with miniature  
motorized frowning chrome eyebrows over them.  
Along the side of his disc-like  
body are several sets of stupid-looking headers and  
exhaust hoses which  
apparently propel him and punctuate his dialogue with  
horrible smelling smoke  
rings. In the middle of his head we can see an airport  
wind sock and constantly  
twirling anemometer. The bottom of him has a landing  
light and three spoked  
wheels. In spite of all this, it is obvious that the way he  
really gets around  
is by being dangled from place to place by a union guy  
with a dark green shirt  
up in the roof who is eating a sandwich (pieces of which  
drop off every once in  
a while and lodge themselves near the hole where they  
put the oil in that makes  
the cheap smoke).

He hovers into view and speaks to us thusly...

Central Scrutinizer:

This is the CENTRAL SCRUTINIZER...it is my  
responsibility to enforce all the  
laws that haven't been passed yet. It is also my  
responsibility to alert each  
and every one of you to the potential consequences of  
various ordinary everyday  
activities you might be performing which could  
eventually lead to \*The Death  
Penalty\* (or affect your parents' credit rating). Our  
criminal institutions are

full of little creeps like you who do wrong things...and  
many of them were  
driven to these crimes by a horrible force called  
MUSIC!

Our studies have shown that this horrible force is so  
dangerous to society at  
large that laws are being drawn up at this very moment  
to stop it forever!  
Cruel and inhuman punishments are being carefully  
described in tiny paragraphs  
so they won't conflict with the Constitution (which,  
itself, is being modified  
in order to accommodate THE FUTURE).

I bring you now a special presentation to show what can  
happen to you if  
you choose a career in MUSIC...\*The WHITE ZONE is for  
loading and  
unloading only...if you have to load or unload, go to the  
WHITE ZONE...  
you'll love it...it's a way of life...Ha, ha, ha, ha, ha...Hi,  
it's me,  
I'm back. This is the CENTRAL SCRUTINIZER...The WHITE  
ZONE is for loading  
and unloading only...If yah gotta load, or if yah gotta  
unload, go to  
the WHITE ZONE. You'll love it...it's a way of life. That's  
right, you'll  
love it, it's a way of life, that's right, you'll love it, it's a  
way of  
life, you'll love it. This, is, the CENTRAL SCRUTINIZER!\*
