I am the heaven
I am the water
I am the dirt beneath your rollers
I am your secret smut & lost metal money
down your cracks

I am your cracks & crannies

I am the clouds
I am embroidered
a am the author of all tucks & damask piping
I am the Chrome Dinette
I am the Chrome Dinette
I am the eggs of all persuasion
I am all days & nights
I am all days & nights
I am all days & nights
I am all days & nights
I am here
And you are my sofa
I am here
And you are my sofa
I am here
And you are my sofa
