Goin' back home
To the Village of the Sun
Out in back of Palmdale
Where the turkey farmers run, I don
Made up my mind
And I know I'm gonna go to Sun
Village, good God I hope the
Wind don't blow

It take the paint off your car
And wreck your windshield too,
I don't know how the people stand it,
But I guess they do
Cause they're all still there,
Even Johnny Franklin too
In the Village of the Sun
Village of the Sun
Village of the Sun, son
(Sun Village to you)

Little Mary, and Teddy, and Thelma too
Where Palmdale Boulevard
Cuts on through
Past the Village Inn & Barbecue
(I heard it ain't there...
Well I hope it ain't true)
Where the stumblers gonna go
To watch the lights turn blue
Where the stumblers gonna go
To watch the lights turn
blue-ooo-ooo-ooo-ooo-ooo-wahhh?

(repeat first two verses)
