Well, I gotta girl named Rosie Lee,
I wanna tell ya what she did for me,
She took me in when I had no place to go
And that is the reason I love her so

You know why I love her, all she's done for me
I-I-I love her, talkin' 'bout Rosie Lee
Well she gave me food and she gave me some bread
She gave me a place to lay my weary head
And I-I-I-love her, I'm talkin' 'bout Rosie Lee

Well, Rosie is a girl that can't be beat
Everybody whistle when she walks down the street
She gotta shape like a tadpole, face like a bear
But when it comes to lovin', Rosie is there

You know why I love her, all she's done for me
I-I-I love her, talkin' 'bout Rosie Lee
Well, she's the sweetest girl that you ever seen
She come from down on New Orleans
And I-I-I-love her, talkin' 'bout Rosie Lee

Well
Rose 'n Rose 'n Rosie Lee
Rose 'n Rose 'n Rosie Lee
Rose 'n Rose 'n Rosie Lee
Rose 'n Rose 'n Rosie Lee
Ro-o-o-sie Lee sweet as she can be

Well Rose 'n Rose 'n Rosie Lee
Rose 'n Rose 'n Rosie Lee
Rose 'n Rose 'n Rosie Lee
Rose 'n Rose 'n Rosie Lee
Ro-o-o-sie Lee, sweet as she can be
