(Young Joc)

Make this shit fly for you baby

I like it

I love it

Hold up (hold up)

Wait a minute (wait a minute)

Let a real nigga put a little swagger in it (swagger in it)

Keep it cool (keep it cool)

Play the part (play the part)

Cause I don't wanna have to be the one to break ya
heart

Hit it baby (hit it baby)

Don't stop (don't stop)

Tell them don't hate me (don't hate me)

Go Joc (Go Joc)

Hey, ya like that don't it?

Ride that one baby jump back on it

(Chorus)

Baby you so sexy, can't put it into words

So I say, Ooh Ooh Ooh, Ooh Ooh

Don't know what you do to me

And I can't find the words,

Make me say Ooh Ooh Ooh, Ooh Ooh

Boy I can see you over there looking fly as ever

If I let you go, couldn't forgive myself

Gotta let you know what your eyes do to me

The way you look at me you can see right through me

Baby when you walk I can see that swagger

The ladies looking at you but they cant have you

Let them know you're mine

Baby you're all mine

(Chorus)

Baby you so sexy, can't put it into words

So I say, Ooh Ooh Ooh, Ooh Ooh

Don't know what you do to me

And I can't find the words,

Make me say Ooh Ooh Ooh, Ooh Ooh

(Young Joc)
Shawty you so flyyy
Every time you walk by
Make me say Ooh Ooh, yayuh, Ooh Ooh, yayuh
And I can't even lie
You seem to make the temp rise
Make me say Ooh Ooh, yayuh, Ooh Ooh, yayuh

(Southern Girl)
Baby this is how I feel
The way you kiss me gives me chills
A feeling I just can explain
So good I don't know what to say
So ladies if you got a man
Just take him by the hand
Ooh..Oohâ€¦Ooh
Fellas if ya with ya lady
Let her know that she's your baby
And she's the only one for you!

(Chorus - 2x)
Baby you so sexy, can't put it into words
So I say, Ooh Ooh Ooh, Ooh Ooh
Don't know what you do to me
And I can't find the words,
Make me say Ooh Ooh Ooh, Ooh Ooh Ooh
